## WHY CHRISTIE CLINIC

*Since 1929, Christie Clinic has been providing the people of east central Illinois with the highest quality health care. We are one of the largest physician-owned, multi-specialty group medical practices in Illinois with more than 20 locations, but our approach to meeting patient health care needs is simple.*

By keeping the best physicians and staff and staying on top of technology, we're making health care a lot easier for everyone involved.

Christie Clinic's team members are devoted to creating healthy communities and have dedicated their lives to health and service. When patients have a doctor who takes the time to listen and understand, it makes all the difference in the world. There are over 40 departments and 35 specialties within Christie Clinic, so our physicians and staff can take care of virtually every aspect of a patient's health. And when patients need a specialist, we can refer them to someone who understands their condition and will provide the best treatment possible.

Plus, we are continually investing in new technology to provide our doctors with the tools they need to best diagnose and treat our patients. In addition to medical technology for patient's health, we use technology that makes going to the doctor a lot less complicated.

# JOIN US!

*Become a member of the Christie Clinic team—committed to achieving the highest standards for medical care and improving health in the community where we live and work.*

## CHRISTIE CLINIC IS COMMUNITY

Christie Clinic is involved in the communities it serves. As title sponsor, our team members run and volunteer at the Christie Clinic Illinois Marathon each year that attracts more than 19,000 participants. We host and participate in health fairs and community events throughout east central Illinois to share our message of wellness.

## CHRISTIE CLINIC IS A PARTNER

Christie Clinic is a physician-owned, multi-specialty practice that offers providers the flexibility to practice medicine the way they have always envisioned. Providers share that they do not feel like employees but part of a team, a true partner.

## CHRISTIE CLINIC IS FAMILY

As part of the Christie Clinic team, providers feel like part of a larger community and east central Illinois is an excellent location to raise a family. In Champaign-Urbana you are close to Chicago, St. Louis and Indianapolis but with the benefits of a mid-sized community.

## CHRISTIE CLINIC IS CONNECTED

Christie Clinic is connected to the University of Illinois and the College of Medicine at the University of Illinois. Many of our clinicians are faculty members and many participate in research or collaborate with the nation's top scientists at the University of Illinois.

## WHY WORK AT CHRISTIE CLINIC

- We place the needs of the patient first
- We are team-based and physician-owned organization
- We offer market-based, competitive salaries
- Champaign-Urbana has the amenities of a metropolitan area with small town benefits
- Proximity to the University of Illinois' innovation and cultural resources provide opportunities for community engagement
- Providers enjoy relationships with the College of Medicine at the University of Illinois, whether for research or faculty appointments

## WHY PHYSICIANS CHOOSE CHRISTIE CLINIC

You want to make a difference, but you'd also like to have a life. At Christie Clinic, we are part of the community. We are physician-owned and follow a patient-centered care model, and most importantly, we are caring for our neighbors and friends. Many of our providers grew up in east central Illinois and they were excited to come back and serve their community. Others who are new to the area, quickly call Champaign-Urbana and Christie Clinic home.
