

Meet Your Neurologist

Clarissa Liew, MD

*I strive to best serve my patients
by first being a very good listener.
I want my patients to feel that each
of them is my only patient.*

CHRISTIE CLINIC

We listen. We care.

Why I Chose Health Care

"My grandfather lost his independence after a stroke, suffering greatly until his death during my teenage years. My father saw how upset I was and suggested a medical career in my future. Later in life, Suzhou Medical College gave me that opportunity."

Fellowship

National Institute of Neurological Disorders and Stroke (NINDS)

Two years at the National Institute of Health (NIH), Bethesda, MD, focused on Epilepsy and Neurophysiology

Residency

University of Medicine and Dentistry of New Jersey, Newark, NJ

University Hospital, University of Medicine and Dentistry of New Jersey, Newark, NJ

Department of Neurology, Zhongshan Hospital, Shanghai Medical University, Shanghai, P. R. China

MD

Suzhou Medical College, Suzhou, P. R. China

Certification

Board Certified in Neurology, Clinical Neurophysiology, Sleep Medicine, and Epilepsy by the American Board of Psychiatry and Neurology.

Professional Memberships

American Academy of Sleep Medicine (AASM)

Department of Neurology

In the Department of Neurology, Dr. Liew is specialized in the diagnosis and treatment of disorders of the central and peripheral nervous systems, which include the brain, spinal cord and outlying nerves in the body. She is sub-specialized in epilepsy (seizure disorder), sleep disorder, routine EEG study, video EEG monitoring, and sleep study.

Hospital Affiliation

Carle Foundation Hospital

In my free time I enjoy gardening, interior design and cooking.
