

Meet Your Physician Assistant

Kessie Rodriguez, PA-C

I believe that personalized care is key, so I make sure every treatment plan is tailored to fit your specific needs and lifestyle. Whether it's helping someone feel great in their own skin or providing early detection for skin cancers, I'm here to support you every step of the way.

Why I Chose Health Care

What I love most about dermatology is that it's not just about treating the skin—it's about boosting people's confidence and quality of life, something I've witnessed firsthand.

Education

Master's Degree Physician Assistant Studies, Sullivan University, Louisville, KY

Bachelor's Degree Psychology, University of Illinois Urbana-Champaign, Urbana, IL

Certifications

National Commission on Certification of Physician Assistants

Professional Memberships

The American Academy of Physician Assistants

Department of Dermatology

In the Department of Dermatology, Kessie works closely with our dermatologists to diagnose and treat a wide range of skin conditions, from acne and eczema to more complex concerns like psoriasis and skin cancer.

Outside of work, I enjoy staying active with friends through running, weight lifting, and playing games such as volleyball or pickleball. I also love food and coffee and enjoy checking out new restaurants.
